We do not have the date yet for the Apple field trip yet for September. That is normally arranged by another provider in the group. So, hang on as soon as we have the date I will pass it on. Parents you are more than welcome to come and volunteer your time for the morning.

The apple place we go to is Gull Meadow Farms on Gull Road just before Richland, MI.

October is right around the corner! We will be having a non-costume party for the kids. We will have a list for things or you can just volunteer something.

Tuition is due in the **morning** on Fridays. Thank you.

Have a great Monday!
Tam, Marlene, your children
