Enjoy your Labor Day Weekend!

Wishing the Best to Our Kindergartners

Tam's Sunshine House would like to wish our outgoing Kindergartners the best in school. Even though you will be gone during the day we will have your siblings here to remind us of your smiles. Each year when we send children off to the school districts it is bitter sweet. We have enjoyed your children so much while they were getting to this stage of their lives. We will get to see most of them during off school times which is wonderful. For those who are leaving our program you will be missed.

Come back to see us we would like to see you in the future.

Math-

Simple counting skills are what we are working on right now. Building on those skills thru counting the number of blocks it takes to build towers, robots, or stairs.

Clifford the Big Red Dog

We are working on the booklets for two weeks at a time. Children learn better by repeated exposure to materials. Then, in between the four weeks we will send the homework packet for both booklets home. I hope that you will find this very exciting to work with your children as we do each and every day!

Reading

Reading is an every day activity at our child care.

I hope it's every day for your home as well!

All schedules are subject to review and change.

Dates Coming up that we are **CLOSED!** 2007

September 1-3 Labor Day

Oct. 27th Saturday: KVCC training closed

Please remember child care fees are due **Friday morning** or the last day of the week, that is scheduled for your child.

Many of you are starting to bring your checks in the PM. Please remember you need to bring them in the morning or we will only accept cash in the PM. Which if this becomes a further problem we will take steps to fix it which you won't think is fair.

We may start a late fee for failing to give the check in the AM. I understand most of your employers post your funds in the AM. Normally we don't run our deposit until early afternoon on Fridays. Please work with us on this.

You don't ask for your check why should we have too?
